in my capacity as a visitor / temporary person present within the area of “Odesos PBM – Varna”
Port Terminal,

HEREBY DECLARE that I have been informed of and accept the following conditions in accordance
with:

the International Ship and Port Facility Security Code (ISPS Code);

the Internal Security Regulations of the Port Terminal.

I. Security Regime and Prohibition of Photography (ISPS Code)

The port terminal constitutes a Restricted Area within the meaning of the ISPS Code.

Within the terminal area, photography and video recording may only be carried out after obtaining
written authorization issued by the Port Facility Security Officer (PFSO) or the terminal
management.

This restriction applies to all:

- port facilities and infrastructure;
- security systems and access control systems.

II. Photography and Recording Upon Authorization

In the event that I am granted written authorization to take photographs or record videos, I undertake to:

- comply with the Security Level established for the facility;
- **take and submit photographs solely in connection with the subject matter of my contract.**

(For inspection and control organizations)

- take photographs only within the areas, for the purposes, and during the period explicitly specified in the authorization;
- follow all instructions issued by the PFSO and security personnel.

I hereby declare that I am not entitled to distribute the recorded material through internet networks and expressly undertake:

- not to send photographs or videos to third parties;
- not to publish them on websites, social media platforms, forums, cloud services, or any other internet-based platforms;
- not to provide them to media outlets, editorial offices, or other organizations,

unless such distribution has been expressly authorized in writing by the operator of the port terminal.

III. Control of Recorded Material

Upon request, I am obliged to make any recorded photographic or video material available for review, inspection, or deletion.

I undertake to take photographs solely in connection with the performance of my contractual obligations.

IV. Penalties, Liability, and Compensation in the Event of a Breach

I declare that I understand that any breach of this Declaration shall be considered a violation of the security regime established under the ISPS Code.

In the event of a confirmed breach, I undertake to pay the following fixed contractual penalties, without prejudice to any other legal consequences:

- EUR 2,500 (two thousand five hundred euros) – for taking photographs without authorization;
- EUR 5,000 (five thousand euros) – for distributing or publishing recorded material without authorization;

- EUR 10,000 (ten thousand euros) – for publication in media outlets or social media, or where security-related elements are affected.

Payment of the above penalties shall not release the offender from:

- compensating for all direct and indirect damages;
- being subject to administrative or criminal liability where applicable;
- termination of access rights to the port terminal area.

Any damages caused shall be compensated in full, as determined by an expert assessment or by a competent court.

V. Final Provisions

This Declaration shall enter into force on the date of its signing.

I hereby declare that I have read, understood, and accepted all of the above conditions and that I am aware of the consequences of any breach thereof.
